Forum Topic: Building Australia's Defence

Speaker: David Archibald

Author: Twilight of Abundance

Australia's Defence 2016 and Beyond

American Gripen: The Solution to the F35 Nightmare

David Archibald is a prolific writer and author of numerous articles published in the Wentworth Report. His contacts extend well beyond Perth having lectured at the US Senate in 2011 & 2013. David has a multitude of papers on the climate debate one of which is entitled "Stop the Climate Stupidity", Get out of Paris and Renewables and Save the Economy, July 2022. He has also published extensive opinion pieces on China's strategic posture in our region which is reflected in his knowledge and definitive analysis of Australia's strategic defence requirements. Broad knowledge on aviation is exhibited in his presentation on "Fighter Aircraft Design" of March 2022

David has previously presented for CNI members at two forums:

- (1) The "Twilight of Abundance" book launch 26 May 2014, &
- (2) "Australia's \$Billion Defence 2016" on 17 November 2015
